| Areas covered | City Wide |
| General Youth work activities (diversionary) | <p>Our service is aimed at young people, male or female, who are homeless and vulnerable aged 16 – 24 years old. We take referrals from a wide variety of sources</p> <p>The Your Chance Resource and Training Programme has been developed by the City of Sunderland YMCA Foyer to enhance the “chance” of young people successfully maintaining a tenancy and gaining a positive moving on experience</p> <p>The project was established in 2005. Its aims are to use the experience of young people you have experienced homelessness themselves to raise awareness of youth homelessness issues, help improve services provided to homeless young people through lobbying and campaigning and deliver training to help young people gain a successful leaving home experience. The project is one response to the Government’s agenda for young people, including Citizenship, Youth participation, and peer -mentoring and volunteering.</p> <p>The ethos of the project is strongly learner-centred and involves young people in planning, giving presentations, lobbying on homelessness issues, developing and delivering peer-education sessions to schools, young offender agencies and youth clubs.</p> |

| General Youth work activities (diversionary) | <p>Sunderland Samba FC was formed in 1999. It has its roots in the Methodist Church in Sunderland in north east England, but involves people from many different backgrounds. It all began when two young men, John and Gareth, were inspired to do something positive for young men in the local community and started out as a small group meeting for a kick about in the park. Since then, the club has grown to have several different teams and a large network of players: the 5-a-side teams, and the SMC 11-a-side team in the NE Christian league, as well as the Kenya Project, organising tournaments, promoting anti-racism campaigns, all while not losing the focus of just enjoying playing.</p> <p>The club has a partnership with Young Asian Voices in Sunderland, and it's membership is made up of a diverse group of nationalities and cultures, with local young men, asylum seekers and refugees from many countries, and people from many backgrounds. Sunderland Samba's aims are to bring people together to learn from each other, understand each other better and support each other; to give people the opportunity to play as part of a team, especially those who might not normally get such an opportunity; and to encourage reflection on life and spiritual issues.</p> <p>We are brought together by a mutual love of football and want to try to enable our team to play as much as possible, to improve and to show a good attitude both on and off the pitch.</p> |
| Ages | Please contact John for details |

Families Information Service

The Families Information Service (FIS) is a new and improved service for parents and carers that provides information about all aspects of family life.

<http://www.familiesinfoservice.com/>

Childrens Centres

There are 17 Children's Centres now open in Sunderland. Sunderland Children's Centres are exciting places for you and your children. Your child can make friends and learn as they play, whilst you can get professional advice on health, family matters and learn about training and job opportunities. You can also meet other parents, carers, grandparents and childminders in a safe and relaxed environment
